Comments  
On Behalf of  
Cohen, Dippell and Everist, P.C.

The following comments are submitted on behalf of Cohen, Dippell and Everist, P.C. ("CDE") and is in response to the Public Notice released by the Federal Communications Commission on April 25, 2014. CDE and its predecessors have practiced before the Federal Communications Commission ("FCC") for over 75 years in broadcast and telecommunications matters. The firm or its predecessors have been located in Washington, DC since 1937 and performed professional consulting engineering services to the communication industry.

The undersigned is licensed as a Professional Engineer in the District of Columbia and has been in continuous employment with this firm or its predecessors for over fifty (50) years.

This firm continues to be the recipient of unwanted fax communication even though the fax is used solely for business purposes. For example, this week this firm received three unsolicited fax notifications from so-called lenders. This firm is on the FCC Opt-Out notification list.

Cohen, Dippell and Everist, P.C. urges the FCC to continue to maintain and enforce its rules (Section 64.1200(a)(4)(iv)) on the Opt-Out fax rules.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "Donald G. Everist", is written over the printed name. The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Donald G. Everist
